

## *Minnesota School of Business - Waite Park*

*Minnesota School of Business is a 40,000 square foot two-story educational facility located in Waite Park, MN. This unique building features cast-in-place concrete "tilt-up" wall panels with in-set brick veneer. The upper wall area utilizes a textured spray applied paint finish. Due to a tight time schedule, this building was constructed in 120 days from the start of site work to client occupancy.*
