

Bernick's Ice Arena, - Sartell, MN

Bernick's Arena in Sartell is a facility owned and operated by the Sartell Youth Hockey Association. The 34,000 sq. ft. facility is constructed of pre-cast concrete decking and wall panels and a Behlen S-Span roof system, clear spanning 132 feet. The facility features seating on two levels, multiple locker rooms, meeting rooms, a concession area, pro shop, offices and Zamboni storage. Some of the work was performed by hockey volunteers. This project was completed and ready to make ice in five months.

The complex also features an outside sheet of ice and a 1,500 sq. ft. warming house.
